DOG WALKING (DAILY, WEEKLY, OCCASIONAL) – TRAINING - PET SITTING

Holiday Reminder!!!

Easter was a busy weekend, so remember to book your pet sitting dates! More upcoming holidays are Memorial Day, Labor Day, and Independence Day.

Safety of your home

Taking care of your babies as if they were our own is very important to us. So is the safety of your home. Having a pet sitter in to visit your pets while you are away also means someone is checking on your home each day. We take pride in helping out with unforeseen events like reporting a gas leak, noticing if a door is unlocked or damage is found from contractors you have on site, or calling a plumber because of a water leak in your ceiling. It might be unconventional, but it's what we would want done in our own homes, so we don't mind doing it for you.

Check us out!

www.AnimalAmour.com

We update it periodically to show all kinds of fun stuff:

- New services we offer
- Pics of your pets
- Pics of your pet sitters
- Animal Links
- Advertise and link with Animal Amour to promote your business

Economy

Everyone is talking about the economy. Clients are asking us if we will survive. The answer is YES. We are going to be here and part of the reason we are succeeding is we refuse to compromise our services. Animal Amour is keeping our high quality of standards and we will never lower the bar. By doing this, we know we keep our clients' tails wagging!

Why we are the best

We are all about the animals. It's what we live for, what we get up in the morning for. Every day we work towards making your pets comfortable while you are away or at work. When you love what you do and put your heart and soul into something, it has a tendency to stay buoyant. We love our clients and think of your home as if it were our own, and we go the extra mile to take care of it. Customer service never goes out of style.

We know there are other pet sitters in the area, but we feel strongly that we are the best. We might be able to compete with their prices, but they can't come close to competing with our service and dedication. We know we are on the right track because of the positive feedback we have received. We have had clients who have chosen to try other sitters to see the difference in terms of price and service, and they came right back. They tell us how much they appreciate us and they will never change again. We have a service level to which no one else can compare.

We notice the small stuff. We stay conscious of this all the time. We excel at doing what is asked of us and then we go above and beyond.

What can you do?

What can you do to keep us thriving in Orange County? Your kind recommendations to potential clients have helped us develop our territory so we can keep the great pet sitters and dog walkers working for you and your animals. **To ensure Animal Amour continues in your neighborhood, you can:**

- Refer us to your neighbors, friends, co-workers, and church members.
- Inform your Homeowners Association or Board of Directors about us. We will attend meetings or drop off information.
- Ask your local library, church, school, employer, etc. if we can post our services in their establishment.
- Have Animal Amour present our "Pet Safety for Dogs and Cats" workshop to a group you belong to. We have educated classrooms in the Newport-Mesa School District and would love to attend your child's school, camp, or other group function.
- Send us an email with a paragraph about us we can add to our website.
- Rate us on www.Yelp.com or www.MyFoxLa.com (see links on next page in column.)

Dog Training

We are thrilled that our Dog Training company, [PAWsitive Obedience](#), has taken off! Our trainer Drew has exceeded our expectations. Our entire team has learned so much, and we use that knowledge every day!

If you need some training help, or know someone who does, please give us a call at (714) 423-1383 or call Animal Amour.

**Puppies • Adult Dogs • Potty Training • Behavior
• Obedience • Socialization • Chewing • Barking
• Aggression • Protection • Special Needs/Assistance Dogs**

We do it all. And we can reinforce with dog walks!
